

ERP SOLUTIONS AND SERVICES

COMPREHENSIVE SERVICES FOR SUCCESSFUL ERP SOLUTIONS

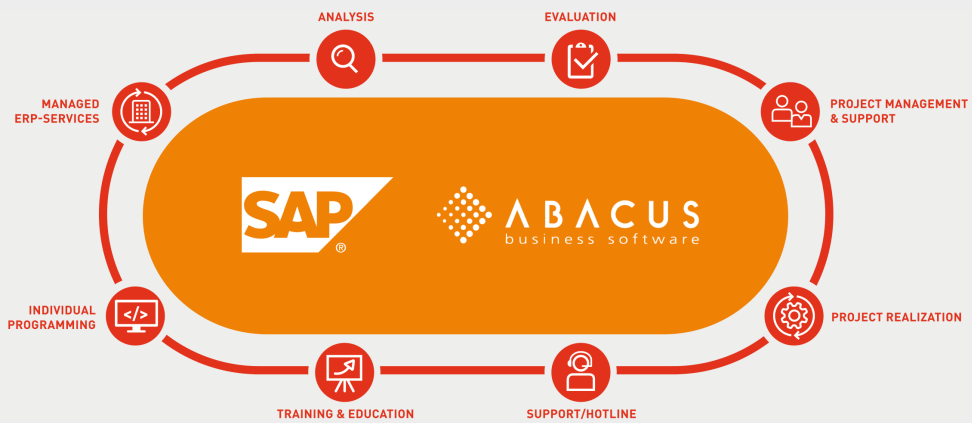

Our vision is to help our customers continually improve their business processes with the aid of our support. By offering a number of different ERP solutions, the consulting process can already begin during the evaluation stage rather than during the implementation of the system.

YOUR ADVANTAGES

- ✔ ALL-ROUND ERP ADVICE
- ✔ PROFESSIONAL PROJECT PROCEDURES AND IMPLEMENTATION
- ✔ CERTIFIED PRODUCT EXPERTS
- ✔ PRODUCT INDEPENDENT DEMAND ANALYSIS AND EVALUATION SUPPORT
- ✔ A QUALIFIED TEAM OF ADVISORS WITH MANY YEARS' EXPERIENCE
- ✔ OUR EXTENSIVE ERP SERVICES ENSURE WE ARE ALSO THERE FOR YOU AFTER REALIZATION OF THE PROJECT.

ERP SERVICES FROM A TO Z

Our ERP services start by analyzing your business-specific requirements. Our ERP specialists then work together with you to search for the right ERP solution whose standard functions already cover most of your (industry-specific) requirements. While implementing your special individual requirements, our experienced team of developers will help with customization and in developing individual solutions.

A COMPREHENSIVE PORTFOLIO

ANALYSIS OF EXISTING ERP SOLUTIONS

Our advisors analyze whether the ERP solution you currently use still meets your needs.

SUPPORT WITH THE EVALUATION OF ERP SOLUTIONS

We work together with you to determine your needs with regard to an ERP solution and draw up a specification sheet for you.

PROFESSIONAL PROJECT MANAGEMENT AND PROJECT SUPPORT

Our experienced project managers assist and support your staff throughout the project to ensure that your ERP solution is introduced in a timely manner.

PROJECT REALIZATION

During the project realization stage, you benefit from our many years of experience as an SME partner of Abacus and SAP Business One.

SUPPORT / HOTLINE

It goes without saying that the project manager and our support team continue to be at your service even after the project has been completed.

TRAINING COURSES

We offer training courses tailored to your needs.

INDIVIDUAL PROGRAMING

Individual programing also enables us to meet special requirements.
