

MAINTENANCE & REPAIR

FIRST-CLASS SERVICES FOR RELIABLE IT OPERATION

The problem-free operation of a company's IT is decisive in determining its success. Short reaction times and fast on-site service is decisive in this. Thanks to MTF's Swiss-wide coverage and its many certified service technicians, it can guarantee to provide comprehensive maintenance and repair services. Whether it's a hardware breakdown, repairs under guarantee or even device servicing, we take on all your IT services, enabling you to operate your IT efficiently and worry-free.

YOUR ADVANTAGES

- ✔ GUARANTEE REPAIRS AND REPLACEMENT ON SITE
- ✔ OUR OWN WAREHOUSE ENSURES THE LONGEVITY OF INSTALLED COMPONENTS
- ✔ A SINGLE POINT OF CONTACT
- ✔ A WIDE VARIETY OF HARDWARE AND SOFTWARE, MANUFACTURER INDEPENDENT
- ✔ SERVICING AND LIFECYCLE MANAGEMENT
- ✔ 13 LOCATIONS THROUGHOUT SWITZERLAND AND IN LICHTENSTEIN
- ✔ COMPETENT, PERSONAL ADVICE

AN EXTENSIVE HARDWARE SERVICING WAREHOUSE

MTF has an extensive hardware servicing warehouse that includes both older and the very latest technologies. As a consequence, we can also look after systems that aren't entirely up-to-date.

A COMPREHENSIVE PORTFOLIO

HARDWARE REPAIRS AND REPLACEMENT

Cost-optimized nationwide guarantee repairs or our replacement service for hardware by your local MTF office.

- On-site replacement service
- Guarantee repairs
- Repairs of all types of IT

SERVICE AND MAINTENANCE

Our maintenance team ensures that all hardware operates as smoothly as possible.

- Servicing of IT equipment
- Verification and lifecycle management
