

# MODERN WORKPLACE

---

## FLEXIBLE AND SAFE ON THE ROAD WITH MODERN WORKPLACE

---

Employees are working more and more flexibly and therefore also more mobile - at home, while travelling, in the meeting room or in the office. Innovative workplace solutions enable open communication and optimal teamwork with the same security and performance as in the office - no matter where you are. Increase your flexibility and productivity and at the same time enhance the attractiveness for your employees.

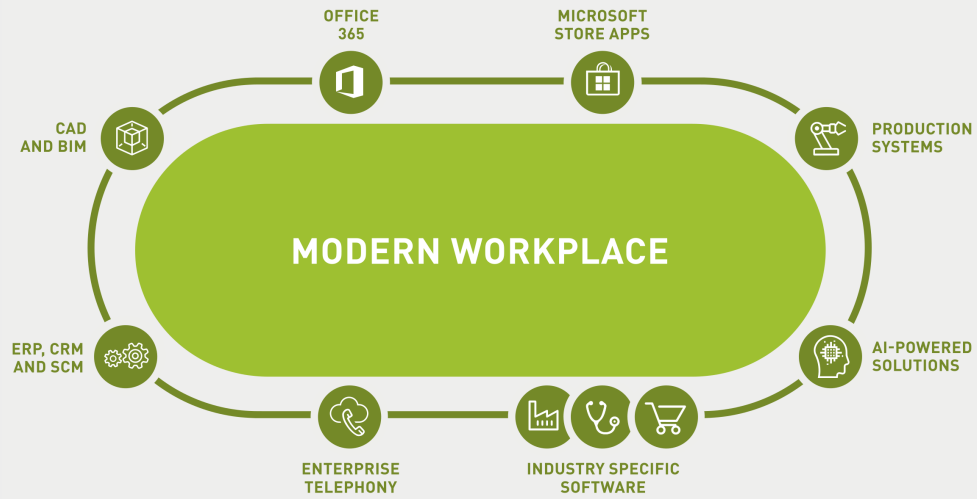

## HIGHLIGHTS

---

- ✔ FULL INTEGRATION OF OFFICE 365 (TEAMS, SHAREPOINT, ONEDRIVE ETC.)
- ✔ FULL ENTERPRISE SECURITY AND MAXIMUM PERFORMANCE ON ALL DEVICES
- ✔ DATA RETENTION IN GEOREDUNDANT DATACENTERS IN SWITZERLAND
- ✔ ALL DATA AVAILABLE EVERYWHERE
- ✔ SEAMLESS INTERACTION OF PRIVATE AND PUBLIC CLOUD
- ✔ HIGHEST CERTIFICATIONS (DSGVO, FINMA, ISO)

# THE BUILDING BLOCKS FOR THE WORKPLACE OF THE FUTURE

Complete portfolio for your Modern Workplace. Consulting, installation, service and operation for both cloud services and your local IT from a single source.

# COMPLETE WORKSTATION SOLUTIONS

---

## PUBLIC AND PRIVATE CLOUD

The basis of the Modern Workplace is the secure private cloud, which can be expanded and combined with any public cloud provider.

- Easily move documents back and forth between the public and private cloud
- compatible with virtually any public cloud solution
- Ideal for environments with high data protection requirements
- Perfect for compliance (DSGVO, FINMA regulations, etc.)
- Business critical data is absolutely secure in the encrypted Swiss Private Cloud

## WORK FROM ANYWHERE AT ANY TIME

With the Modern Workplace you can access your virtual desktop from anywhere via the Internet or work on your documents offline.

- Work independently from anywhere
- Access from any device possible
- Minimum Internet connection is sufficient
- Offline data access guaranteed (e.g. aircraft)
- Data always and everywhere with you

## EQUIPPED FOR THE FUTURE

Our own powerful Swiss private cloud is the basis for the Modern Workplace. It gives you the highest possible flexibility with maximum security.

- Software updates quickly and easily
- Modular design for fast and flexible scalability
- Designed for future, uncomplicated extensions
- Pay-As-You-Go: You only pay for the resources you use
- Simple cost structure based on monthly fixed costs
