

MANAGED IT SERVICES & IT OUTSOURCING

COMPREHENSIVE IT SERVICES

Data processing demands are rising rapidly, and your company can only be as successful as your IT is reliable. To satisfy the increasing complexity and growing demands through a stable IT environment, a valid strategy is imperative in order to guarantee performance and availability. To this end, MTF provides a full range of IT services from a single source.

YOUR ADVANTAGES

- ✔ ONE OF SWITZERLAND'S LARGEST IT SYSTEMS COMPANIES
- ✔ 13 LOCATIONS IN SWITZERLAND AND LICHTENSTEIN
- ✔ EVERYTHING FROM FIRST-LEVEL SUPPORT TO BODY LEASING OF SPECIALISTS
- ✔ MORE THAN 270 EMPLOYEES LOCATED THROUGHOUT SWITZERLAND
- ✔ MANUFACTURER INDEPENDENT

MANAGED IT SERVICES, IT OUTSOURCING, IT OUTTASKING OR BODY LEASING

MTF offers a competent and long-lasting support service that secures the reliability of your IT, both now and in the future. With more than 5,000 satisfied customers, MTF has extensive experience that we'll gladly put to work for your benefit. To this end, we have four models on offer: managed IT services, IT outsourcing, IT outtasking and body leasing.

A COMPREHENSIVE PORTFOLIO

BODY LEASING

Thanks to our body leasing service, MTF specialists can be integrated directly into your operations. This enables them to fully understand your internal procedures and processes.

- The perfect addition to your IT department
- Very high integration and knowledge of the processes
- Flexible contracts and SLAs with certification in accordance with the Swiss Recruitment Act (RecA)

MANAGED IT SERVICES

Our managed IT services model offers flexible end-to-end services for your every need as well as enabling great efficiency.

- Managed workplace
- Managed infrastructure
- Managed security & networking

IT OUTTASKING

Through our IT outtasking model, we provide you with additional support and activities that are necessary to ensure the problem-free operation of your IT.

- Dedicated contact persons
- Concentration on own core skills
- Continuous operational services

IT OUTSOURCING

As part of IT outsourcing, you transfer the responsibility for the operation of your entire IT to us.

- A single point of contact
- Flexible SLAs
- Qualified staff with many years' experience
